WE ARE PASSIONATE ABOUT ALL THINGS LOCAL

Motivated by our passion for all things local, the My Butchers Block product range is inspired by the natural beauty and diverse uses of locally sourced Knysna Blackwood. Since 2012, owner Lee Ginsberg and his team have been making and delivering high quality wooden chopping boards, trendy braai boards and other selected products in the My Butcher's Block Range to all major retailers countrywide.

MY BUTCHERS BLOCK IS PROUDLY SOUTH AFRICAN

Today, our diverse range of culinary products have become synonymous with South Africa's favourite pastime: the braai. We are proud to be a sponsor of SA's most loved cooking shows.

- Ultimate Braai Master
- Koekedoor
- Just cooking
- Steakhouse Championship
- Jenny (Morris) and Reeza's Fabulous Food Academy
- Kom Ons Braai
- Laat the Potte Prut
- Lek Jou Lippe Af
- Bak en brou

WOOD IS GOOD

All My Butchers Block products are made to last a lifetime when treated with our specialised Wood Care oil for maintenance and germ protection. Which means, it's not only eco-friendly and sustainable, it's also safe to use.

Our products are treated with a natural Wood Care oil before sent to our customers. We do not seal our boards with varnish or any other toxic product because it can be digested and is unsafe for human consumption.

BUTCHERS BLOCKS & CUTTING BOARDS

My Butcher's Blocks wooden chopping board (Butchers Blocks) are large, solid slabs of finished Blackwood that are used in the kitchen to cut meats and other foods. Because the wooden chopping boards (Butcher Blocks) are made from natural wood, it is important to perform routine maintenance on them to prevent the wood from drying and cracking, and also to kill existing bacteria.

CHOPPING BLOCK SMALL

300 x 300 x 20mm (MBB-MK-R)

CARE & MAINTENANCE

My Butchers Block Wood Care products will help to provide your furniture with one of the most natural looking finishes in the industry. These amazing products can help to bring the true beauty of your wood out for all to see. It ends up forming a rich, glossy coating that embellishes your furniture, rather than cause the natural beauty in the wood to be distorted. When you touch the wood, it leaves it feeling silky-smooth. Instead of getting a surface that looks awful and feels absolutely horrible, you can have one that is going to leave you looking at the wood for hours. My Butchers Block Wood Care oil and Bees wax conditioner penetrates directly into the wood to eliminate dry, dull, moisture and sun damaged surfaces, leaving a wonderful lustrous, warm shine. It's the type of shine that professional home decorators dream of!

CHEESE BOARDS & SERVING PLATTERS

The My Butchers Block Artisanal Board is sure to wow guests and entertainers alike with its subdued elegance and uber practicality. Locally manufactured from high quality wood, it is a must-have serving board to complement fine foods for table sharing. The artisanal boards are crafted with the same superior quality locally sourced Knysna Blackwood as all My Butchers Block products. Knysna Blackwood is well known for its attractive patterns and fine textures.
